

Tax Increase Rejected Saturday By The Voters of School District

4-H Pig Show Was Held Saturday at Umbarger

In the 4-H pig show held at Umbarger last Saturday, the first place award was won by Richard Friemel. Other boys who placed in the money were Oscar Prillas, second; Bernard Hartman, third; James Skarke, fourth; Albert Fischbacher, fifth. The first place gilt owned by Richard Friemel will be exhibited at the Panhandle district show this Saturday, September 29th. The winner of first place at the district show will be given his choice of 21 registered Jersey heifers. The winner of second place will be given second choice and so on for each of the 21 county winners. Most of the boys who exhibited pigs at Umbarger will accompany County Agent W. H. Upchurch to the District Show at Amarillo on the 29th. The parents and teachers of the boys in the Umbarger 4-H Club showed a very lively interest in the boys' pig show Saturday.

More Men Are Called Selective Service Board

The local board of Selective Service has received the October call for men for the armed services. Donald Harold O'Brien, now at Raton, N. M., and Aubrey Frank Smith, now at Portales, N. M., have been notified for physical examination on Oct. 1. Both are privileged to be transferred to their present homes if they desire. J. W. Dennis has been notified for induction on Oct. 7. He was sent twice for physical before being accepted. He now lives at Itasca and will likely ask for transfer to that local board.

Butler Infant Was Buried Tuesday

Graveside services for Linda Marie Butler, infant daughter of Electrician's Mate and Mrs. James A. Butler of Canyon were held at 11 o'clock Tuesday morning at the Dreamland Cemetery. Rev. Roy L. Johnson was in charge of the services. The child died Monday morning at 2 o'clock in an Amarillo hospital. She is survived by the parents; one brother, Robert Harold; one sister, Martha; and two grandmothers, Mrs. Bernice Laubery and Mrs. Mamie Butler.

Rufus M. Johnson Is Discharged

Rufus M. Johnson, 32, chief boat-swain's mate, USN, son of Mr. and Mrs. Jim Johnson of Canyon, docked at Puget Sound Navy Yard Sept. 13 and left immediately for separation centers and a discharge from the Navy under the point system. The Navy man was a member of Task Force 38, which played the waters a few miles off Tokyo during the signing of the surrender documents. Most of the men had at least three years' service including many months in the Pacific on their carrier, which participated in every major action from Tarawa in 1943 to the end of the war.

ATTEND PRESBYTERY

Rev. Robert W. Jones, Rev. John Sharp and Rev. W. R. Mann, accompanied by a group of local members of the Presbyterian church, attended the meeting of the Amarillo Presbytery at Littlefield, September 20.

HOME FROM ITALY

Pfc. Warren H. Wilson arrived Tuesday at the home of his parents, Mr. and Mrs. P. M. Wilson, after having spent 2½ years in the European Theater. Pfc. Wilson has his discharge under the point system. Perry W. Wilson, a brother of the returnee, spent the week end in the home of his parents to visit with his brother.

Trustees Outline the Steps Which Will be Taken to Keep Schools Going

Voters of the Canyon Independent School District rejected the proposed tax increase in a special election last Saturday. The vote was 78 for the increase and 198 against the increase, with one mutilated ballot.

There are approximately 1200 qualified voters in the district, with only 277 citizens taking time to go to the polls in this election.

The school trustees met Tuesday night to review the situation which confronts them in trying to operate the school on the amount of money which will be available for the coming year.

Paul Lindsey, chairman of the board, stated yesterday that the trustees will endeavor to operate the school on the amount of money which the district has. However, the trustees cannot do everything that the people want from their schools, even by the practice of the strictest economy.

Four objectives were outlined for the coming year:

1. There will not be sufficient money to put new roofs on the buildings, therefore this must be postponed. The worst leaks will be patched the best way possible.
2. The heating plant must be repaired or school cannot be continued for this year. The work will be done before time for the plant to be put into use.
3. The tax rolls for the year have not been prepared. The board will seek to have a stricter equalization, and instructions will be given members of the board of equalization that valuations must be raised in order to raise a sufficient amount of money to operate the schools.
4. The trustees will determine the cost of the school per capita for the children living in the Canyon Independent School District, and will then ask those schools which transfer children to the local schools to share the cost proportionately according to the amount paid for the local children.

Former Student Long Prisoner Is Freed at Last

Malcolm Bull, B. S., '40, long a prisoner of the Japanese, has been freed and is in the Philippines; according to a cablegram received here Saturday.

He escaped from Bataan but presumably was taken prisoner in the fall of Corregidor. Only meager messages had been received from him.

With him on Bataan was George Brasuel, agriculture student.

Plasterers Work on Court House

Plasterers are at work at the court house repairing the ceiling and walls of the various offices where great damage had been done by the leaks in the old roof. Work is being confined to the second floor of the building where the various county officials have their offices.

As soon as the special session of district court is over next week, the plasterers will move to the third story where a considerable amount of the ceiling and walls must be patched.

Stockmen Must Renew Brands by the First October

All stockmen who wish to continue the use of their present brands must file application for renewal with County Clerk A. B. Holt before October 1.

A number of stockmen have filed such application, but many others have neglected to do so.

Those brands which are not renewed by application become null and void after Oct. 1, according to the law passed by the last session of the legislature.

FREED STAYS IN ARMY

Major C. W. Freed, who is on leave as head of the Speech Department, has written from Marburg on Laken, Germany, that he does not expect to return to the campus during the present long session.

He said he would return in a September, but not before 1946.

Mrs. H. M. Parker, who now lives in Amarillo, has been notified that she is not to send any packages to Cpl. Tikey Parker as he will be home by Christmas. Cpl. Parker is a postal clerk and has been in Europe 18 months.

Sgt. James T. Harp arrived at the home of his parents, Mr. and Mrs. Guy Harp, Monday from Barksdale Field, La. on furlough.

Pfc. Cole Thurman from Camp Swift, Texas spent the week end in the parental T. M. Thurman home.

Mrs. Bill Downing and daughter, Shannon, left Sunday to visit with relatives in Spokane and Bremerton, Wash., for the next three weeks.

Pfc. David L. Riley and Mrs. David L. Riley, Mrs. Nova Riley were visitors in the home of Mr. and Mrs. W. W. Adams this week. Pfc. David L. Riley, a brother of Mrs. W. W. Adams, is just back from serving a year in Germany.

Mr. and Mrs. C. R. Herrington of Amarillo visited in the C. L. Gordon-Cummings home enroute to Carlsbad, N. M.

War Fund to Be Solicited

Chairman Milton Morris and County Group to Organize on Friday

The Canyon and Randall County drive for the National War Fund will be organized next Friday evening at a county-wide session of workers in the Canyon High School auditorium. The meeting will open at 8:30 o'clock.

Milton Morris, principal of W. T. High, is county chairman and County Agent W. H. Upchurch is vice-chairman. W. E. Bennett is chairman of the Farm Victory Council.

Confidence that Randall County's quota of \$2700 would be raised was expressed by Mr. Morris, who had special praise for the Victory Council.

"I challenge any county to equal this Randall County Council," he added.

"It is abundantly evident," Mr. Morris said, "that the mission of USO and other War Fund agencies have not been wholly fulfilled. But it will be fulfilled because each volunteer, each staff member, and each member agency recognizes the commitment to carry through to final completion of our joint responsibility. We cannot forget the service men and women, millions of whom will not be back at home for many months."

In the National War Fund drive beginning October 1, 1945—the last to be made—the projected cash requirements to be met will total \$115,000,000.

Randall county has led the state in the last two campaigns.

Surrender of Japan brought USO work into a new phase but there remains a vast job until the service men and women are demobilized completely. Boredom overseas has increased with cessation of hostilities. The world situation for USO is as follows:

Europe—Victory in the Orient brought no sharp changes. The Army wants a greatly stepped-up USO program.

Atlantic Seaboard—USO facilities can be reduced, but many installations will remain open for another year.

Alaska—War-established bases will be retained indefinitely. USO has a big job here.

Pacific—A huge USO program is being launched in the Philippines. In Hawaii, USO activities will continue at the present level for at least another year. Isolated island garrisons and the armies of occupation will need more and more camp shows and other services.

U. S. Training Camps—USO will cut its program to Army dimensions, but probably not more than 25 per cent this year. Separation centers need more USO services. Hospitals in this country must be served. Travelers aid services cannot be reduced. But the USO will discontinue mobile services and work in war production centers as conditions permit.

The period of demobilization, involving many delays in movements of men and many problems of helping them through this critical time, will increase rather than decrease the work of many agencies supported by the National War Fund. And the funds raised in this last combined drive will be used for considerably more than a year.

Douglas Takes the Laundry Business

J. J. Douglas sold the Canyon Laundry to Mr. and Mrs. E. M. Turner of Amarillo a few weeks ago, but has bought the business back.

Mr. Turner is a printer on the Globe-News and continued to work after moving to Canyon. The family will move back to Amarillo.

Mr. and Mrs. W. H. McAtee and Jerry with Sgt. and Mrs. C. N. Tipperly and Sally Kaye visited in the B. C. Hoyl home in Clovis Sunday.

Mrs. Maggie White from New Mexico, Mrs. Reeder Tucker with her daughter and granddaughter from Guymon, Okla., are visiting in the parental W. P. Barnard home.

Mrs. S. W. White and daughter from near Nara Visa, N. M., are visiting in the home of Mrs. Earl Burtz. Mrs. White and Mrs. Burtz are sisters.

Mr. and Mrs. J. B. Winkelman and son, John, of Amarillo spent Sunday at the Warwick home. John is signalman in the navy and is on a 15 day leave.

Pfc. J. W. Foust of the Dalhart Army Air Field spent Monday here with friends. He was a former student in W. T.

Last week Silas Hart was called to Rogers, Arkansas by the serious illness of his sister, Miss Faye Hart.

Sgt. and Mrs. Jack Walker spent Saturday night in the parental T. S. Maxwell home.

Major Lockhart Arrived Home; Others Coming

Major Vincent Lockhart arrived home yesterday on a 45-day leave. He will report back to Fort Sam Houston for future assignment after the leave.

Major Lockhart was met in San Antonio by his wife and they drove to Canyon to spend a day with his mother, Mrs. W. E. Lockhart. They go to Canadian today after their son, whom Major Lockhart has never seen.

Major Lockhart left Canyon with Co. F in January 1941 as a 2nd Lieutenant, serving under his father, the late Capt. W. E. Lockhart. He has been in Europe for 2½ years.

He reports that Captain Joe Gill and Lieut. Wyndon Fain were at Fort Sam Houston while he was there and will arrive home in a few days. Both are likely to receive discharges. Cpl. Roy D. Neal was on the ship with Major Lockhart on his way home.

Major Lockhart saw the orders of his brother, Capt. W. E. Lockhart, Jr., who will be home from the Pacific before Christmas. Capt. Lockhart is in the medical Corps.

Milk Subsidy to Be Paid After First of October

Application for milk subsidy payment for the third quarter may be made at any time after October 1. Sales tickets for July, August and September should be submitted to the county office as soon as possible after the first of the month. The final date for submitting sales tickets for third quarter payment is November 30.

The payment rate as announced for third quarter period is 13 cents for butterfat and 55 cents per cwt. on whole milk. Payment rates for October through March 1946 is 17 cents for butterfat and 70 cents per cwt. for milk.

Murder Case To Start Tuesday as 220 Jurors Called

The murder charge against M. E. Thompson and Elbert Day will be tried in Randall county starting next Tuesday morning. Judge Henry S. Bishop set the date of trial Thursday and a special venire of 220 men was drawn for the case.

The defendants were brought from the federal prison at Leavenworth, Kansas. They are charged with the murder of an Amarillo policeman.

Car of J. R. Sharp Damaged Monday

Fire was discovered in the trunk of the car of J. R. Sharp Monday afternoon as it stood at the family home. Mrs. Sharp discovered the fire and called the fire department.

The body of the car was practically ruined by the fire.

Due to the fact that the fire was over the gasoline tank, Mr. Sharp was fearful of an explosion before the flames could be extinguished.

ORGANIZE PRE-SCHOOL CLASS

A class of pre-school age children is being organized to accommodate that group soon to become scholars. Parents of children near school age who are interested in arranging to have them enter in this class may consult Mrs. T. W. Hart who will teach it at her home, 2000 Fourth. The plan is to follow the state's outlined course for primary grades and correlate with that of the schools of the city.

Sgt. and Mrs. Beans Parker are visiting his mother, Mrs. H. M. Parker in Amarillo and with friends and relatives in Canyon. Sgt. Parker is instructor in Chanute Field, Ill.

Miss Crawford Retired as Manager of Dining Room in Cousins Hall

After thirty-three years of faithful service to students and faculty of West Texas State, Miss Vera A. Crawford, for twenty-five years supervisor of Cousins Hall Dining Room, retired with the close of the summer school session on August 11.

Miss Crawford, who says she is not a Yankee, but a Hoosier, came to Canyon in 1910 from Indiana, where she was born. From 1912 to 1920, having given up her already established career as a school teacher to begin her work as a dietitian, she cooked for college students in several dining rooms around the campus, including the Bell dining room and Huntley Hall (now Randall Hall). Since 1920 she has been planning menus, ordering supplies, and supervising preparation of every meal at Cousins Hall and of banquets "galore." Moreover, from 1925 to 1933 she supervised the dining rooms at both Cousins and

Improvement Program Underway Among Local Business Firms

Three New Buildings and Remodeling of Others Will Greatly Improve the Houses

A number of business improvements have started in Canyon, while others will be started in the near future.

Bob's Coffee Shop has under construction an addition to the plant, which was planned during the summer. Part of the work had been completed during August. New fixtures have been added. R. B. Clark has been planning for two years to add a tourist court to his business, which will be built as soon as materials are available.

W. A. Warren started remodeling the Warren's store this week. The partition between the present showroom and the building just north which has been used as reserve space has been removed. The space taken into the main store will give the store a 60-foot front. Many modern improvements will be added to the display features of the store. Merredith Warren, discharged as Major in the Army Air Corps, has joined Mr. and Mrs. Warren and Bernard in the business.

Three new buildings will be erected at the northeast corner of the square as soon as materials are available.

Cooper's M System bought the corner lot several months ago for the purpose of erecting a modern Food Store as soon as materials were available. Plans are being made to start construction at an early date.

Carl Hair has bought the lot just east, where the Harden & Heath real estate office is now located. The little office building will be removed and a new building will be erected for a cafe.

Harden & Heath have bought the lot just to the east and will erect an office building, with a room for the Mickle Barber Shop. This construction would have started before now had materials been available.

Otto Samuelson is getting possession of the building which was formerly occupied by Welfare Office and Red Cross, and will remodel it for his new automobile agency.

Other business improvements are being contemplated and early announcements may be made.

Welfare Office to a New Location

The Texas Welfare office is now located in the telephone building at the southeast corner of the square.

The office has been in the former I. O. O. F. building west of the post office for several years. The local investigator will meet local citizens at the new location.

Mrs. Elmer Wooten Is Seriously Ill

Mrs. Elmer Wooten suffered a blood clot on the brain Saturday at the family home in Stratford, where Mr. Wooten is superintendent of the public schools. She was rushed to an Amarillo hospital where she has been in serious condition.

A son was born Monday night, and the baby is doing nicely. Mrs. Wooten has been under an oxygen tent since Monday, and her condition is considered very grave.

CABES ON VISIT IN CANYON

Mr. and Mrs. H. W. Cabe accompanied by their son, T-5 Dan Cabe, arrived in Canyon Tuesday afternoon to visit with relatives and friends.

T-5 Cabe is on 30 day furlough after having spent a year over seas in a General Hospital as a member of the medical corps. This is his first visit to Canyon in 2 years.

SELLS NEWSPAPER

The Briscoe County News, Silverton, has been sold by Roy Hahn to Miss Agnes E. Cooper of Lockney. Possession will be given October 1, but Roy will work for Miss Cooper for two months.

Mr. Hahn was here Monday visiting at the News office, looking for a new location.

Mr. and Mrs. W. E. Bennett left Saturday for Santa Barbara, Calif. where they will spend several months. They will stop in points in New Mexico and Colorado enroute to California.

Turn Clock Back an Hour Saturday

Return to Standard Time Becomes Effective Sunday Morning at 2 O'clock

The nation will resume standard time Sunday morning.

Before you go to bed Saturday night, just run your clocks back one hour and you will wake up Sunday morning according to standard time.

As a result of the change back to standard time, the schools will adopt new schedules starting Monday morning. The college will start classes at 8 o'clock and observe the lunch period from 12 to 1:30 o'clock.

The public schools will start at 9 o'clock, instead of 10 o'clock, with the lunch period at 12 o'clock instead of 1 o'clock.

War time was adopted after Pearl Harbor with the hope that more work might result in the war plants. Repeal of this measure was one of the first items of business transacted when Congress reconvened after Japan folded up. The bill was passed unanimously by both houses of Congress and was signed Tuesday by President Truman.

Increase at W. T. Will Amount to Practically 16%

The attendance at West Texas State has reached almost 600 students. This is an increase of 16% over the enrollment of last year. The exact figures will not be available for several days.

There is a decided increase in the number of boys who are enrolled this year. A number of veterans have enrolled, and the number will likely increase throughout the year as men are discharged from the armed services.

Red Cross Office Moved Monday

The Red Cross room has been moved to the room adjoining Monarch Cleaners. The office has been west of the post office for several months, and the Red Cross was forced to move from that location by recent sale of the building.

Red Cross officials are not certain as to the amount of work which will be needed to be done by local women in the future.

Roy Holland Talked on Electricity at Rotary Luncheon

Roy Holland, manager of the Southwestern Public Service Co., made a vocational talk at the Rotary Club luncheon Tuesday.

It is recorded that the characteristics of electricity was observed as early as 600 B. C. Nothing was done to put this power to work for many decades. The first power plant was established on the Western Hemisphere in 1875 when the campus of Cornell University was lighted.

The first power plant in Texas was established in Galveston.

It is the constant aim of power companies to deliver electricity at a lower cost in order to induce more use of this power. The business is fascinating because the constant change and the new applications which are discovered almost daily.

In 1930 there were fewer than 100,000 rural consumers of power. Today there are 2,600,000 rural customers, with 150,000 in Texas. Randall county has its share of this large number. Mr. Holland read statistics as to the time saving element of electricity.

A number of club members attended the inter-city meeting at Lubbock Wednesday.

President Stuart Condon spoke at the Kiwanis Club in Tulsa Tuesday.

Visitors were: R. D. Wheelock and Chas. Graham of Canyon; Chas. Lantern of Ft. Worth; John McCarty, Carl Franz, Jess Sanders, Horace Griggs, J. E. Bowman, C. R. Janack, all of Amarillo.

IN STATES FROM THE PACIFIC

Jess Armstrong, S 1-c, landed in San Francisco, Monday night. He called his parents, Rev. and Mrs. C. C. Armstrong at 2:00 a. m. Tuesday morning, saying that he was being sent to a rest camp at Monterey, Calif., for a short stay before being sent home.

Seaman Armstrong has been in the Pacific for 22 months. He has been in most of the major engagements in which the Coast Guards have participated since the Marshall Islands invasion. He has been in the service about 27 months and has not had a furlough home.

BURGAN IS DISCHARGED

Albert Jack Burgan has been discharged from the army after serving since Nov. 22, 1942.

He was a mess sergeant and had not served overseas.

WHAT ABOUT SANTA CLAUS?

Playing Santa Claus this year to your man in service poses a tough problem now that discharges are being speeded up.

General Marshall said yesterday that 450,000 soldiers will be released in September, 55,000 in October, and 700,000 to 800,000 a month thereafter.

We have been told that the navy, marine corps, and coast guard are releasing men as rapidly as possible, without short-changing the military authorities in areas where there still is a job to be done.

Now, about those Christmas packages which are supposed to be mailed by October 15.

The armed forces suggest:

1. Do not mail packages to men known to be returning within the next few months.

2. However, if a man definitely is known to be assigned to an occupation force, then play Santa Claus and send him a package.

Getting back to normal is a tragic problem. No one wants to be reduced in rank, just for the mere sake of peace. We hear that the nation has more than 1600 generals, most of whom would be reduced in rank if the army is reduced in size. Naturally these generals want to hold onto their stars. During the war the government took charge of most of the manufacturing plants and boosted wages; paying liberal overtime; and now the unions are striking to hold the same wage, but working fewer hours. Even the lowly white collar workers in one big institution, the fellows who usually profit little from war wages, are on strike to get the same pay for less work. Reconversion was a magic word a few weeks ago. Remember your dream of a new car, new implements, new household appliances, new clothes; a new home—in fact something new in almost every line. But most of these dreams have turned into a nightmare in a few short weeks. Reconversion is not to be accomplished so easily as we thought. But in spite of all these difficulties, American ingenuity and aggressiveness is bringing back products on the market faster than the government planners had predicted.

General MacArthur upset the brass hats of the War Department a few days ago by announcing that only 200,000 men would be needed to police Japan. The War Department had been talking about an army of two or three million men for this job. And now MacArthur has upset the State Department by declaring that we can virtually withdraw from Japan after a year. This department had been talking about policing Japan for 20 years or more. Japan is a long way from Washington. MacArthur has spent a lot of time studying the Japs. He may be wrong in both assertions, but why not be a little optimistic rather than so pessimistic? We take it that MacArthur would not be so foolish as to entirely withdraw from Japan, as we did in the case of Germany 25 years ago. We take it that he recommends a small force of experts keeping a constant eye on the affairs of Japan, rather than a big force of home sick soldiers who would be engaged in police duty. MacArthur may be rather impetuous in making declarations, but after all he has had some rather bitter experiences in dealing with the Japs.

It is a crime that politics are entering into everything of national importance today. The eyes of the nation are focused on the 1946 and 1948 elections. The case of Elliott Roosevelt, the misfortune of Pearl Harbor, the size of the future army and navy, the constant strikes; demobilization of troops; full employment for the future; pay for unemployment; all of these problems have become political, and will not be worked out for the benefit of the people of the nation. It is by no means a one-sided affair. Both the Democrats and Republicans are carefully watching every step which is made by the opposing party, with an eye on the future elections. Naturally those who like ball-and-chain party politics will glory in such procedure. Remembering just how the nation went after World War I when politics prevailed, we wonder if we are not getting ready to boost peace out of the window once more.

THE ROAD TO RUIN

The new and better life we are all promised in our postwar world may be costly entertainment. The plan to pay \$25 maximum unemployment benefits for 26 weeks might be called the National Vacation Measure. What would happen at the end of 26 weeks when the vacation was over? Would there be a new bill for the next year, on the theory that unless it was passed there would then be unemployment? Naturally, the higher the benefits and the longer the period for each year for which they are paid, the more difficult it will be to recruit help. Retail stores, garages, and many other trades find workers unwilling to accept work, even when thousands are being laid off from war industries. Farm help is almost impossible to get at any price the farmer can pay, to raise food to sell at a figure demanded by the government.

Sooner or later we are all going to have to get down to earth and work and save, or we will starve. All the hot air to the contrary, government can't take money away from the people in taxes to furnish the handouts now proposed. Legalized loafing on the government payroll will break any nation ultimately.

Governor Thomas E. Dewey should tell the nation now what he knew about the Pearl Harbor case. Life Magazine has an article which throws the blame on the War Department and the White House. It says that Dewey was delivered a letter from General Marshall, Chief of Staff, asking him not to disclose what he knew about the Pearl Harbor affair. If the people are to know the full facts, then all the facts must be placed before them. Maybe, after all, the nation is demanding that a general and an admiral be made the goats. Maybe they are not so much to blame as the people have been led to believe. So much has already been said and written that the people now have the right to hear the entire story, regardless how ugly parts may be.

According to press reports, the president has centered all of the labor problems under the Labor Department. The President has a new Secretary of Labor, who may know the score, and may have sufficient nerve to carry out a labor policy. Under Madame Perkins, Roosevelt gradually pruned the labor department of all its functions until there was little left of the original department. That was a very bad practice, so far as the public was concerned and so far as labor was concerned. We hope that conditions will change in this department.

Looks like everything that some people want to do is either illegal, immoral, or fattening.

MUST GREED PREVAIL?

It is predicted that America's most violent strike era lies ahead. Union leaders have given union locals the word that they are free to strike whenever ready. The skilled craft unions are already preparing to refuse new members. They think that they can maintain prosperity for a few by keeping supply below demand in closed shops.

Some union leaders can see that this policy of denying the right to work to a man will play into the hands of advocates of legislation which will permit men to enter any occupation for which they are qualified, regardless of union restrictions.

Both unions and Congress seem to have forgotten that there is a Constitution of the United States, under which men were guaranteed the right to life, liberty and the pursuit of happiness—which means the right to work. If we have any Constitution left, or any semblance of freedom for the individual, and courts to protect him, why should any man be shut out of work by any union or any industry, until he pays some organization for the privilege of being allowed to earn his daily bread and butter?

Until this question is answered and a man is free to work and free to join a union or not join it, as he sees fit, we cannot hold the United States up to the rest of the world as a shining example of a free country. What have our soldiers been fighting for if when they return to their homes they cannot work without paying for the privilege?

OPA is now trying to unsaddle on the retail stores. OPA admits that manufactured prices have advanced because Washington has permitted wages to increase. OPA now says that retailers should absorb all of the increase in manufacturing costs, thus selling articles at the same pre-war level. OPA claims that retailers may reduce their services to the public to such an extent that they may absorb this increase. In other words, OPA is trying to force retailers to cut out deliveries; credits; handling costs; in order that the people may not pay more for retail items. That would be fine if it would work. But the people want these additional services, and are entitled to them. We still have a lot of knots in the yarn before reconversion will run smoothly.

We do not have to leave home to see the terrible problem of juvenile delinquency. We feel just a little more comfortable when we discuss things which are not right under our noses. All right, Dallas reports 10,000 delinquent boys and girls roaming the streets, away from school. That is not a pretty picture. That spells tragedy for the future of Texas. Unfortunately the case in Dallas is no worse, or better than in Canyon or Amarillo or New York City. Youth delinquency is a national problem, and must be considered as such.

Daily Papers Are Still on Ration List

It is time to renew subscriptions to daily newspapers if you wish to continue as a reader for the coming year.

Here is the situation: News print rationing will continue because of the small amount of price paper available for daily papers. This does not affect weekly newspapers.

Starting Oct. 1, bargain rates will be offered on the Amarillo News to old subscribers only. New subscriptions cannot be taken at this time. From Oct. 1 to Dec. 31 renewals will be accepted at \$10.00 per year. The regular rate is \$12.00 per year and this rate will be resumed on Jan. 1.

Subscribers are advised to send or bring their checks to the Canyon News for renewals of both the Canyon and Amarillo News at once. The rate for the two papers is \$11.50 per year. While the Canyon News may accept new subscriptions, this rate applies to only renewals on the Amarillo News.

Perhaps America is justified in being afraid of Russia. But we wish that Washington would really become acquainted with the Russians, and not take our cue from London, Russia and Britain are struggling for dominance in Europe. We have no right to run in whole-hog with either side. Our interests are not tied up solely with either London or Moscow.

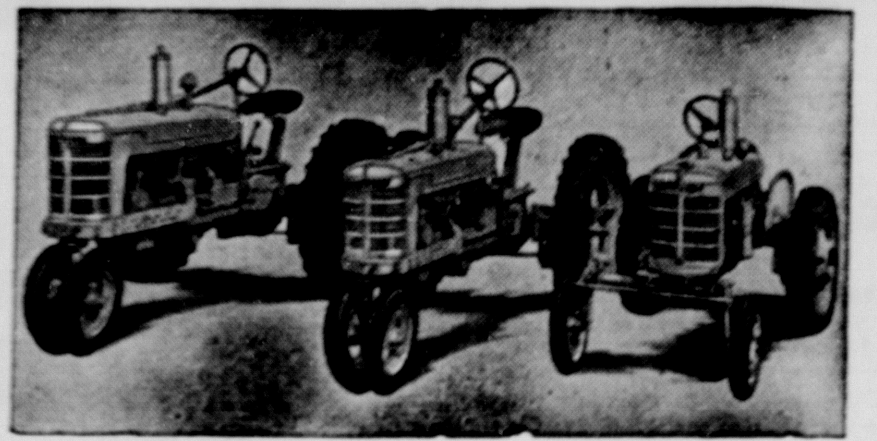

Major Baggett Is Awarded the Bronze Star

Major Al Baggett, West Texas State College director of athletics now stationed in Italy, has been awarded the Bronze Star medal for his work in North Africa and Italy. He has been in charge of the Special Service athletic program in the Mediterranean theater. His return to the campus by the end of this year is expected.

Major Baggett's citation is as follows:

... for meritorious achievement in connection with military operations in North Africa and Italy from 14 November 1943 to 12 May 1945. As officer in charge of the Athletic Branch of the Mediterranean Theater Special Service Section, Major Baggett, by his devotion to duty, good judgment and technical ability was of outstanding assistance in developing a Theater wide athletic program for all United States Army forces. He served as secretary of the Allied Sports Commission and in the superior performance of his duties with that group greatly contributed to its success in fostering wholesome Allied sports competitions and better understanding between Allied personnel. As commandant of the Theater Sports School in Rome he was responsible for the organization and conduct of a program to train athletic personnel to better fit them to administer, coach and officiate in the expanded athletic program during redeployment, thereby contributing materially to the welfare and morale of the entire command."

TO THE FARMERS OF RANDALL COUNTY:

This is a message of appreciation.

You have been waiting for a long time for new INTERNATIONAL farm equipment. Naturally we believe that your patience will be rewarded one of these days when you are able to order the equipment that you need. Since we handle INTERNATIONAL we believe that it is the best farm equipment that is offered. We are strong for this line, and point with pride to the long and faithful service which this equipment has given the farmers of Randall county.

The farmers of Randall county have set a new high record in the way of food production during the war. We believe that the excellent farm equipment which INTERNATIONAL has made available to such a large percentage of the farms of the county has been in a large measure responsible for this record.

Until such time as we are able to deliver to you the new equipment which you need, please keep in mind the fact that INTERNATIONAL stands behind the machines which it has produced, and has made available to us the necessary repairs in order to keep the machines running at full production. Our skilled mechanics will do their part in making these repairs.

We hope to be of service to you in our Repair Department.

DO DEWDROPS DROP?

YES
NO

Ye poet sings of "falling dew." He means warm air kissing cooler grass and flowers—leaving moisture. It didn't drop from heaven. Same process causes frost . . . and another cold-weather truth is this: a Winter change now to Conoco Nth motor oil will fortify your precious car's engine with internal OIL-PLATING.

OIL-PLATED lubricant is closely bonded to working parts by the magnet-like action of Conoco Nth oil's added ingredient. OIL-PLATING resists draining down to the crankcase at every stop! And the OIL-PLATING retained by inner surfaces is ready—faster than instantly—to avert the grinding wear of bone-dry Winter starts. Fighting corrosion along with other wear, OIL-PLATING means plain protection against carbon-sludge—breakdown! Today then get Conoco Nth oil—patented.

Notes From The County H. D. Agent

Three sugar saving recipes that will prove very useful at this time are included here.

Raisin Honey Pound Cake
1 cup seedless raisins
1 cup shortening
1 cup strained honey
4 eggs, well beaten
3 c. sifted all purpose flour
3 tsp. baking powder
1/2 tsp. salt
1 tsp. vanilla extract
1 tsp. lemon extract
1/2 cup chopped walnuts
Rinse raisins; drain, dry on towel, and cut fine with scissors. Work

shortening with a spoon until fluffy and creamy; gradually add honey, while continuing to work with spoon. Add beaten eggs and blend. Gradually stir in sifted dry ingredients, then beat with spoon until smooth. Add extracts, raisins, nuts, and stir to blend. Pour into greased and floured 9"x5"x3" loaf pan. Bake in slow oven of 300 degrees Fah. for 2 hours or until done.

Honey Frosting
Heat 1 cup honey in a saucepan over low heat until it pours in a thin stream. Then pour slowly over 1 egg white, while beating constantly, until of spreading consistency. Fill and frosts 2 9" layers or frosts an 8x8x2 cake.

Honey Date Sticks
1 c. sifted all-purpose flour
1 1/2 tsp. baking powder
1/4 tsp. salt
1 cup finely cut pitted dates
1 cup chopped walnuts
3 eggs
1/4 c. melted fat or salad oil
1 cup honey
Powdered sugar
Sift together first three ingredients. Add dates and walnuts, and blend. Beat eggs with hand or electric beater until thick and lemon colored. Add fat and honey and blend well. Add flour mixture, and stir smooth. Pour into greased or oiled pan about 12"x8"x1". Bake in moderate oven of 350 for 45 minutes or until firm and brown. Cool slightly; then cut into sticks 1"x4". Remove with spatula, roll in powdered sugar.

WILLING

Sgt. Meyer Weds Wm. J. Anderson At Trinity Church in Amarillo

Sgt. Margaret Meyer, daughter of Mrs. Henry Meyer of Canyon became the bride of Wm. J. Anderson, son of Mr. and Mrs. J. B. Anderson of 612 Fillmore, Amarillo, Wednesday evening, September 19, at eight o'clock in Trinity Lutheran church in Amarillo.

The double ring ceremony was performed by the Rev. M. J. H. Hartenberger, pastor, before the church altar which was decorated with pink, blue and white asters and flanked by tall lighted tapers in seven beveled golden candelabra. Preceding the ceremony "O Perfect Love" was sung by Misses Betty Ann Miller and Phyllis Albers of Canyon. Miss Ruth Seecher of Corvallis, Oregon, at the organ, played soft music which included Lohengrin's Bridal Chorus as processional and Mendelssohn's Wedding March as recessional.

Mrs. Louise Burrus of Canyon attended the bride as matron of hon-

or and R. A. Farris of Amarillo was best man.

The bride, who was given in marriage by her brother, Albert Meyer, was becomingly attired in a suit of pale blue wool with accessories of tan. She wore a pink rose corsage. Mrs. Burrus wore a black suit with a corsage of pink carnations.

The bride's mother, Mrs. Meyer, wore a black dress with a corsage of pink carnations. Mrs. Anderson also wore black with pink carnations.

Following the wedding the bridal party was honored at a reception at the Parish Hall. The bride's table, covered with white linen damask, was centered with the white wedding cake, which was decorated with pale pink rosebuds and flanked by tall white tapers and bouquets of asters. After the traditional wedge was cut by the bridal couple, the cake was served by

Mrs. J. B. Anderson. Mrs. Henry Meyer poured coffee and Mrs. Burrus served punch.

Mrs. Anderson was graduated from West Texas State College, Canyon, in 1939, where she was a member of Alpha Chi. She taught in Randall county and Ozona schools. She is now a member of the WAC with sergeant's rating and is stationed at Aberdeen Proving Grounds, Maryland.

Mr. Anderson was graduated from New Home High School near Lubbock and from the Diesel Eng. School, Los Angeles, Calif. Before his recent discharge from the Navy, he was a Ship Fitter, Third Class, having served three and one-half years in the South Pacific. Mr. Anderson is now employed by the Santa Fe railroad in a position which he held prior to his entry into the U. S. Naval service.

The couple plan to make their home in Amarillo.

Student Prexy in Welcome to Fish

TYPICAL GLAD HAND—Student President Winnie Fred Ramage of Borger was on hand early to welcome new students to West Texas State and to expedite organization of classes and other groups. Above, she greets Juanita Reeves of Pampa and Floyd Walton of Dawn. Freshman Reeves, who was editor of her school annual, will study Education. Walton, an agriculture student, drives the Dawn school district bus to the Demonstration School each day.

Good Food FOR GOOD HEALTH

You certainly would not think of trying to run your car on kerosene; neither would you expect your animals to live by eating husks. It takes real fuel to keep machines running, and make stock grow.

Likewise it takes real food for Good Health. Perhaps we become careless about a well balanced diet until it is too late. But start now to build your body for the cold weather of winter months by Eating Good Food for Good Health. Bellah's is ready to help you with your food problems—all that we ask is a chance to serve you in this modern up-to-date Food Store.

Buffaloes Lost to Baylor 32-0; Long Passes Costly

Bears Hurl Five Teams
Against Tired Locals;
W. T. Men Fight Hard
By DALE DE SHAZO

At first, it looked like a well-
matched game, but the tiring
Buffaloes fell victims to Baylor's
numbers and 50-yard passes and
lost at Waco Saturday night,
32 to 0.

In the first fifteen minutes of the
game, the Buffs held their own and
Baylor put everything out to reach
the line of scrimmage. However,
continuous substitutions were made
as Baylor's squad of some 60 play-
ers sat on the bench waiting their
turn. Almost every play resulted
in a new substitution for the Bears,
but a determined West Texas team
stood ready for them on every play.

The group of Buffalo supporters
was over-joyed as Rogers, Stafford,
Bledsoe, and Hedges made gains to
land on the Baylor 20-yard line
early in the game. The crowd was
again brought to its feet in the first
period as the first pass of the night
was completed to Don Leach, W. T.
right end.

After battling Baylor's starters on
even or better terms most of that
first quarter, the Buffs saw the
Bears mark up their first touch-
down as Sammy Pierce ran 69 yards,
and Jack Price made the last few
yards on the next play.

Two more Baylor scores came in
the second quarter, with Price pass-

ing 40 yards to Stoney Cotton and
Ray Painter passing to Alonzo Rob-
ertson, over the goal line. The
Buffs stiffened in the third period
and stopped the Bruin rush. But
in the last period, Price passed
again to Cotton for 39 yards and
a score. Painter passed to Joiner
for the last tally.

Deserving a great deal of credit
for the Buffs is Don Leach, sopho-
more end from Wellington. Leach
played a great game offensively and
defensively. More than once Leach
brought down a raging Baylor lad
to prevent a score. A. D. Shaver at
center showed that he had what
it took to keep the sparks flying a
full 60 minutes. Two other players
one can depend on anytime were J.
D. Lynch and Dwaine Lyons, start-
ing guards. Helping them were
Cullas Henderson, taking John
White's place in the first period,
and Bob Terry at the tackle posi-
tions. On the left end of the line
were "Moose" Glasgow and Lloyd
Johnson alternating in play and
giving those Baylor Bears trouble
every minute.

W. T. Subs Are Few
Substitutions for West Texas
were few but those players also
turned in a great game. Substitu-
tions included Lloyd Johnson, end;
Greenfield, back; A. Stafford, tack-
le; and Bradford, back.

A small but enthusiastic crowd
of W. T. supporters made the trip
and were every moment standing
behind those hard fighting West
Texas State Buffaloes.

Creating interest during the time-
out periods were the actions of the
Baylor Freshmen. Dressed in paper
skirts and grease paint, the Fresh-
man boys ran foot races and fought
the Baylor U. mascot, a half-grown
bear. Then at the half came the
famous shoe race of the freshmen.

Buffalo starters:
Left end, Glasgow; left tackle,
White; left guard, Lyons, center,
Shaver; right guard, Lynch; right
tackle, Terry; right end, Leach;
quarterback, Bledsoe; left halfback,
Stafford; right halfback, Hedges;
fullback, Rogers.

This week the West Texans will
meet Tulsa U. in Tulsa Saturday
night. Last week the Tulsans
whipped the University of Wichita,
61 to 0.

YOU
CAN'T
RECAPTURE
Time

TIME slips away faster than we think.

All too soon too many *yesterdays* have
passed for us to accomplish all the things we
intended one day to do . . . things like buy-
ing a home, starting a business of our own
... or creating a savings program to protect
our loved ones should something happen
to us!

Mr. D. W. knew that time was slipping away
from him, all too fast. And he knew he could
never recapture any part of it. He had neither
the income nor the time required for the
average plan to create the protection he so
earnestly wanted his family to have. But he
learned how he might accomplish his desire,
with limited income and limited time,
through Southwestern Life Insurance.
Fortunately, he was insurable. Fortunately,
his wife and children will tell you, he in-

vested in a Southwestern Life Insurance
policy—a nominal contract on his life for
\$2,984. But for that fact, his family might
have faced some serious readjustment diffi-
culties, for death claimed Mr. D. W. last
year, *not quite three years after he had*
entered the agreement with Southwestern
Life to pay his loved ones \$2,984 should
something unforeseen happen to him.

Time slips away faster than we think. To-
morrow, the *unforeseen* may alter or destroy
all your plans. Now, while you may, set your
savings program in motion through South-
western Life Insurance. There is a South-
western Life plan to fit your needs . . . a plan
that you can create immediately on savings
you can afford to save out of income. Get
an insurance analysis of those needs today.
The economy of the plan will please you.

NOW FOR THE TELEPHONE JOB AT HOME

The big war telephone job is nearly done. Now we can turn to the big telephone job here at home—the job of reconverting and constructing for peacetime telephone service.

We have a long way to go to catch up with the demand for telephone service. More than 240,000 people are waiting for us to furnish them telephones. Serving them will require millions of dollars' worth of new equipment. Poles must be set. Wires must be strung. Miles of cables must be laid. Switchboards and dial equipment must be made and installed.

Big jobs—complicated jobs—take time. But telephone factories are turning as rapidly as possible from war to peacetime production. Telephone people are eager for the job of putting new equipment to work. And soon, we hope, other skilled telephone men and women will be returning from the armed forces to help with the task.

Some of the 240,000 who are waiting for telephones will get service soon. For others, especially in cities where telephone facilities must be expanded, the wait may still be many months. As new equipment can be installed those who are waiting will be served in their proper order.

You may be sure that all our efforts are aimed at making the wait just as short as possible. We're working as hard to that end as we worked to supply the armed forces with vital communications equipment.

Baptist Revival To Begin Sunday

REV. M. G. UPTON

SINGER TOMMIE GODFREY
The revival at First Baptist Church in Canyon will begin Sunday, September 30th, with Rev. M. G. Upton of Wildorado and SINGER TOMMIE GODFREY of Fort Worth assisting Pastor Roy L. Johnson and the local forces. Services will be at 11:00 and 8:00 on Sunday and at 10:00 and 8:00 on week-days.

The preacher for this meeting will speak each night for the week and his messages will be of special interest to young people because he is a young preacher. He graduated from West Texas State three years ago and since then has completed a Master's degree in Theology at Fort Worth. He was the inspirational speaker at students retreats in Canyon in September 1944 and again in September 1945. He is a native of Deaf Smith County and received his early schooling in Hereford. For more than four years he has been pastor of Palo Duro Church, even coming for week-ends while attending school in Fort Worth the past three years.

Singer Tommie Godfrey is a poet whose published books are very popular with those who know him. He is also a composer of music and a devout Christian. He will direct the music for the meeting and have complete charge of the morning services during week-days, including the messages.

All who are interested are invited to these services of spiritual and evangelistic worship.

Have you got a sailor boy in the family? Then you'll be amused by these verses from the Malakoff News, entitled "A Brother's Complaint" and composed by David Dodd and his fellow sailors aboard one of Uncle Sam's fighting vessels:

Sis is going with a sailor;
At first it didn't faze us;
But now the family talk is full
Of sailor's salty phrases.
We found it rather hard at first
To follow all his speech
Since talk is different on board ship
Than it is "On the beach."

For when the time to eat comes
'round,
He sings out "chow" for "food,"
And always "stows it down the hatch,"
Which Grandma says is rude.
When talking during dinner,
He talks like other boys,
Except he calls the lettuce "grass"
And celery just plain "noise."

His salty talk is slangy
And hard to understand;
He calls the canned milk "iron cow"
And sugar he calls "sand."
The chicken he calls "sea gulls,"
The ketchup is "red lead,"
The waffles are "collision mats"
While "punk" is just light bread.

We finally caught on, though,
And now are doing fine;
We say "six bells" for 3 o'clock
When we are telling time.
When ma goes to the city
Or runs down to the store,
And someone asks us where she is,
We say she's "gone ashore."

The place has sure gone salty,
Which makes me lots of trouble;
For when Ma says, "Come here,
Chop-Chop,"
I go there "on the double."
I wish that "tar" would "weigh his anchor!"

And do what I often think:
"Point his bow" and "Trim his jib"
And go jump in the "drink."

Spiritual Advance Meetings at the Presbyterian Church

Rally Day will be observed in the Presbyterian Church on Sunday morning at 9:45. Special program and promotion of pupils will begin at 10:15.

At the morning service Dr. R. Thomsen, former pastor of the First Presbyterian Church, Amarillo, will preach. The local pastor, Rev. Robert W. Jones, will preach in Amarillo.

Rev. Clarence N. Wylie, former Sunday School Missionary located here and now pastor of the First Presbyterian Church, Dalhart, will preach on Sunday evening at 8. Service will be held each evening in the week, except Saturday, at 8 with Mr. Wylie preaching. Everyone in the community is invited to these services. The people of the world need to advance spiritually to match the technical advances being made. This is your opportunity to be in that advance.

SUNDAY EPISCOPAL CHURCH

College students are invited to attend the first Breakfast Forum of the College year at the Little House of Fellowship, 408 17th St., Sept. 30, 9:00 a. m.

Rev. W. R. Scott will lead a discussion on "The Life of Jeremiah," with application being made to living today.

A Forum will be conducted each Sunday morning throughout the college season. It will begin promptly at 9:00 a. m. and close in time for each student to attend Sunday School in the church of his choice.

If you plan to attend the first session, call Mrs. Long, 410W.

A PREGNANT IDEA
Once, when introducing Wm. Howard Taft, Chauncey Depew said: "Today I am introducing a man who is pregnant with good will, pregnant with good deeds, and pregnant with the love of his fellow country men."

The rotund Taft replied: "I always knew it was something. If it's a boy I shall name him Woodrow Wilson, if a girl, Maude Adams—but if it's plain gas I'll call it Chauncey Depew."
